## PROFILE

---

Motivated and detail-oriented final-year Diploma in ICT student at Walter Sisulu University, specializing in software development. Passionate about coding, problem-solving, and developing innovative applications. Seeking an opportunity to apply my technical skills, gain practical experience, and contribute to a dynamic software development team. Additionally, I work well under pressure, and I have learnt to work well with people. I am a team player, always willing to learn and I am a fast learner. I adapt easily to any environment

## SKILLS & ABILITIES
